

Social Policy

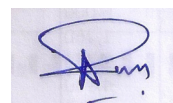

Engser aims to improve both our social and environmental impact in the communities that we do business with.

Engser always strive to provide a safe, healthy, clean and ergonomic working environment for its people. It shall prevent the wasteful use of natural resources and commit to improving the environment.

The processes should always be in place to ensure compliance relating to handling, recycling and disposal of dangerous or hazardous materials.

Engser and its partners, suppliers, and agents in the process of production and sales, shall strive for economic, social and environmental sustainability.
